2025 HIGHLIGHTS

TO GROW PADEL TOGETHER

## DESIGN & CONSTRUCTION

*Dreams into sketches. sketches into reality*

In 2025, we helped ideas take physical shape. We supported clubs in transforming vision into spaces where padel lives, grows, and brings people together. Every project reflected our belief that great facilities are the foundation of a strong padel community.

## TOURNAMENTS & EVENTS

*Do it well & let it know*

This year was about creating moments. From local competitions to international exhibitions, we delivered events that blended sport, emotion, and energy. We built experiences that players remember, audiences feel, and partners trust, raising the standard of padel events.

## COACHES

*Coaching is key to growing the sport*

Behind every improvement, there is a coach. In 2025, we focused on people, connecting clubs with coaches who inspire, teach, and elevate the game. By strengthening coaching structures, we helped ensure that padel continues to grow with quality, consistency, and purpose.

## PLAYERS & BRANDS

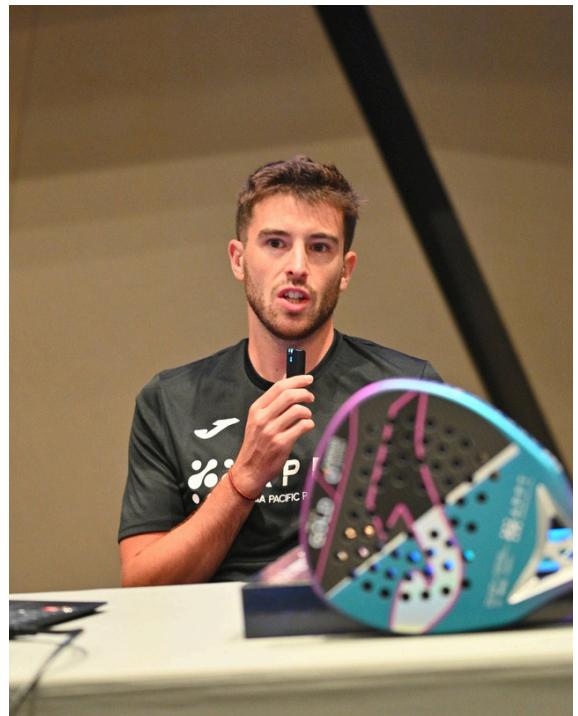

*Do it well & let it know*

This year, we brought talent and brands closer to the game. Through authentic partnerships, strategic exposure, and shared values, we helped players shine and brands connect with padel in meaningful ways. Not just visibility, real stories, real impact, real growth.
